# Bangladesh

The beauty with calm nature

Bangladesh a member of SAARC country is located in South-East Asia. On December 16, 1971 with historical dignity of Great Liberation War & sacrifice of 3 million martyrs the map of the world was glorified by the birth of a brave nation, Bangladesh. It is a land of evergreen nature, moderate climate, gangeous delta region and history, tradition, society of thousand years. Bangladesh is the darling child of nature decorated with hills, rivers and sea. This is the only nation of the world who laid down their lives to establish the mother tongue Bangla, in honour of which 21<sup>st</sup> February is celebrated as International Mother Language Day. The longest sea beach of the world Cox's Bazar and one of natural wonders of world the mangrove forest Sundarban is located in Bangladesh. In short, Bangladesh can be termed as- "Gift of nature Asset of blood ..."

## From Desk of CHIEF ADVISOR

As Comilla is situated in the eastern region globally & nationally so our beloved Institution is named as Eastern Medical College (EMC). Though so many Medical Colleges are established now, still there is a crisis of doctors at home and abroad. EMC provides medical education to both native & foreign students in equal strength. Already the academic & structural scenario acquired national standard. Peoples of greater Comilla are getting low cost treatment and investigation facilities from indoor, outdoor & emergency wings of Eastern Medical College Hospital (EMCH). Majority of the directors of managing committee are senior expert Medical Professionals who has taken the responsibility of teaching and management. The teachers are not only busy with teaching & management but they also review progress of study through phase committee. Principal of EMC has started an online system by which the guardians can easily know the information of their incumbent from anywhere in the world. Finally I can say after completion of 5 yrs study and one year internship in EMC every student becomes a physician who can serve the humanity in a global standard.

Allah Hafez. Joy Bangla.

SHANTI SUNITEE HALL

The Revolutionary Daughters of Comilla in Anti-British movement

## SANTI SUNITEE

In the Political History of Comilla the names of two great ladies **Santi & Sunitee** are highly remembered for their active role against British rules in the sub-continent. Santi Ghosh, daughter of Professor Deben Ghosh of Comilla College lived near Faizunnessa Govt. Girls High School while Sunitee Chowdhury resided at Digomboritala of Comilla City. Both of them studied in Faizunnessa Govt. Girls High School in class VIII. In the morning of 14 December 1931 Santi & Sunitee went to the official residence of the then DC (Deputy Commissioner) of Comilla seeking permission to swim in Dharmosagor. The DC accorded them requested permission & while he was getting upstairs Santi & Sunitee brought out their Pistol & shot dead District Magistrate Charls Geofrikarkland. This incidence woke up all general & revolutionary people against British rules. Due to under age Santi Ghosh was sent to Andaman Island for isolation while Sunitee Chowdhury was sentenced to life term in prison. After Independence of India in 1947, these two ladies were released from jail and they opted to stay in Kolkata City of India. Santi Ghosh was later elected as a Member of Parliament of India. Sunitee Chowdhury devoted herself to Medical Profession.
